

You logged in to EEOC BI Reporting but your browser window screen is blank

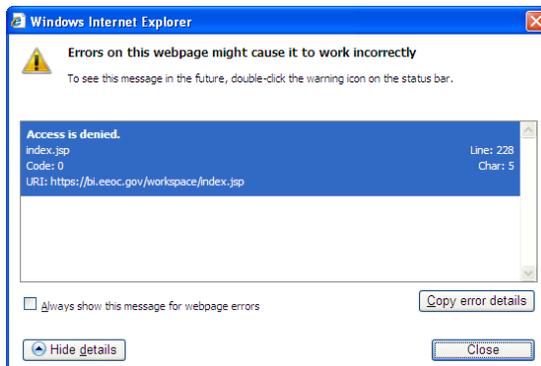

User Experience

1. You have logged in from the above site <https://bi.eeoc.gov>. There is no indication that your username or password is incorrect.
2. Once you clicked logged in it redirected you to a blank page in your browser. At the bottom of the status bar you see a javascript error.

3. If you attempt to view the JavaScript error you will see an “access denied” with the index.jsp page.

Go to next page....

How To Solve This Problem

The cause is probably you had logged in from previous sessions but you have navigated to a different site with the same browser or active tab.

To solve this problem close all instances of your browser, open a browser and log in again at <https://bi.eeoc.gov>
